Five Reasons Why Candidate Care is So Important

As recruiters, looking after our candidates is a vital part of our everyday role. After all, if our candidates aren't happy, we haven't done our job! It's imperative to maintain close relationships with them and inform them of any updates in their job search. You should also aim to accommodate their individual aspirations and personalities [...]

What Does the Future of World-Class Leadership Look Like?

Talk to anyone in business and it won't be long before someone comments on the pace of change – whether it's political, technological or people's changing expectations of work. However, the big question we wanted to ask, was whether the old models of leadership skills and roles are fit for purpose in this ever-changing world, [...]

Why Office Romances Should be Allowed to Blossom

Office romances take place in every workplace, no matter where in the world you are. Some last a lifetime, literally, while

others fizzle out often causing an awkward atmosphere in the office for a while. But is it really a sackable offence to get into a relationship with a co-worker? Recent research commissioned by Perkbox [...]

The Art of the Pivot in Executive Search

A key piece in identifying the right executive candidate happens before the search begins, during the engagement launch. We identify the desired education, skills, experience and cultural fit of targeted candidates and use that to bring the client an ideal set of candidates from which to choose. The art of the pivot in executive search [...]

Why Safety and Stability are Important Foundations for Employee Engagement

The words 'safe' and 'stable' may not immediately sound the most engaging, but they can play a significant role in developing and maintaining an attractive workplace culture that supports highly-engaged employees. At Pure, we spend a lot of time talking to clients, and to delegates at our Best Employers Eastern Region leadership conferences, about ways [...]
