

# Active Shooter Response Training 06/21/18

Must know information!

Discover what to do with an active shooter in the area.

During this monthly lunch-n-learn you will be introduced to the Run Hide Fight options in response to an active shooter event, as recommended by the Department of Homeland Security. Additionally, the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) principles will be discussed, with examples showing how a static lockdown is not the best course of action.
